OFFICE OF THE FIRST DEPUTY VICE CHANCELLOR (ACADEMIC AFFAIRS AND RESEARCH)

January 6, 2025

Dear Students,

Happy New Year, Let Us Start Semester II Promptly!

I trust you had a joyful and restful Christmas break. On behalf of the university management, I warmly welcome you back to Busitema University and wish you a Happy New Year filled with success, and personal growth.

As we commence Semester II on **13th January 2025**, I would like to emphasize that teaching and learning will begin on the very first day of the semester. It is vital that you are present and ready to engage actively in your academic activities right from the start.

Your education is your responsibility, and its quality depends largely on your commitment to your studies. Ensure that you attend all classes, engage meaningfully with your facilitators and peers, and make the most of the resources available to you. Remember, this is your education—ensure you receive the quality you deserve by being proactive and fully participating in all academic activities.

Let us start the semester on a strong note and work together to achieve our academic goals. I wish you all the best in your studies this semester.
