

BUSITEMA UNIVERSITY
EXTERNAL JOB ADVERT NO. 3/2026

Busitema University is a multi-campus Public University located in Eastern Uganda. Applications are invited from suitably qualified candidates to fill vacant positions at the University. Interested persons who meet the requirements should submit 3 sets of applications duly signed together with detailed Curriculum Vitae with names of three referees, Academic Certificates and Transcripts and copies of Appointment Letters, 3 recent passport photographs in envelopes addressed to the University Secretary, Busitema University, P.O. Box 236 Tororo or P.O. Box 226 Busia. Applications can be submitted to the Office of the University Secretary or at the Liaison Office in Mulago School of Nursing & Midwifery near Mulago National Referral Hospital main gate not later than **5:00 pm on Friday August 21, 2026**, East African Time.

ACADEMIC, ADMINISTRATIVE AND SUPPORT STAFF POSITIONS:

DEPARTMENT	POSITION	NUMBER OF POSTS	REQUIREMENTS
A) ACADEMIC POSITIONS			
Faculty of Engineering and Technology, Busitema Main Campus, Busitema Sub-county, Busia District			
Water Resources Engineering	Lecturer Salary Scale: PU6.1	1	a) Evidence of full admission for a PhD in the area of specialization from a recognized Institution of higher learning. b) Master of Science in Civil Engineering degree with specialization in Structural Engineering from a recognized Institution of higher learning. c) First Class or Second Class Upper division Bachelor of Science degree in Civil Engineering

			from a recognized Institution of higher learning. d) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. e) Evidence of contribution to Community f) Possession of a PhD in the area of Specialization is an added advantage g) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Mining	Assistant Lecturer Salary Scale: PU6.2	1	a) Master of Science Degree in Mining Engineering from a recognized Institution of higher learning. b) First Class or Second Class Upper division Bachelor of Science degree in Mining Engineering from a recognized Institution of higher learning. c) University teaching experience or knowledge in mineral resource management (Mine planning, design, mineral economics and mineral processing) is an added advantage. d) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
	Technician, Mining Salary Scale: PU7	1	a) First Class or Second Class Upper division Bachelor's degree in Mining Engineering from a recognized Institution of higher learning. b) Relevant working experience in a mine or a mine materials laboratory is an added advantage. c) Additional certification or training in mines and mine equipment management will be an added advantage. d) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
Agricultural Mechanization & Irrigation Engineering	Assistant Lecturer Salary Scale: PU6.2 (Replacement)	1	a) Master of Science in Agricultural Mechanization & Irrigation or Drainage Engineering or Master of Science in Mechanical Engineering from a recognized Institution of higher learning. b) First Class or Second Class Upper division Bachelor of Science in Agricultural Mechanization & Irrigation Engineering degree from a recognized Institution of higher learning. c) University teaching experience or relevant working experience in a reputable Organization or Industry is an added advantage.

			d) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
Electrical Engineering	Technician, Electrical Engineering Salary Scale: PU7	1	a) First Class or Second Class Upper Division Bachelor's degree in Electrical Engineering or Electrical and Electronics Engineering from a recognized Institution of higher learning. b) Diploma in Electrical Engineering or Electrical and Electronics Engineering from a recognized Institution of higher learning. c) Relevant experience in electrical engineering laboratories, workshops, or industrial electrical installations is an added advantage. d) Demonstrated knowledge and practical experience in electrical systems, instrumentation, equipment maintenance, testing, calibration, and troubleshooting. e) Knowledge of electrical safety standards, laboratory/workshop management, and quality assurance practices. f) Relevant professional certification or training in electrical installations, safety, instrumentation, or quality management will be an added advantage. g) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
Faculty of Science and Education, Nagongera Campus, Nagongera Town Council, Tororo District.			
Languages	Lecturer Salary Scale: PU6.1	1	a) Evidence of full admission for a PhD in the area of specialization from a recognized Institution of higher learning. b) Master's Degree majoring in Literature or Languages from a recognized Institution of higher learning. c) First Class or Second Class Upper division Bachelor's degree in Education majoring in Literature from a recognized Institution of higher learning. d) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. e) Evidence of contribution to Community f) Possession of a PhD in the area of Specialization is an added advantage g) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.

Mathematics	Lecturer Salary Scale: PU6.1 (Replacement)	1	a) Evidence of full admission for a PhD in the area of specialization from a recognized Institution of higher learning. b) Master's Degree in Mathematics, with a bias in Applied mathematics from a recognized Institution of higher learning. c) First Class or Second-class Upper division Bachelor of Science degree in Education majoring in Mathematics from a recognized Institution of higher learning. d) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. e) Evidence of contribution to Community f) Possession of a PhD in the area of Specialization is an added advantage g) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Agriculture	Assistant Lecturer Salary Scale: PU6.2 Science	1	a) Master's degree in Agriculture from a recognized Institution of higher learning. b) First Class or Second Class Upper division Bachelor of Education degree majoring in Agriculture from a recognized Institution of higher learning. c) University teaching experience or relevant working experience in a reputable Organization or Industry is an added advantage. d) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
Geography	Assistant Lecturer Salary Scale: PU6.2 Non-science	1	a) Master's degree in Geography from a recognized Institution of higher learning. b) First Class or Second Class Upper division Bachelor of Education degree majoring in Geography from a recognized Institution of higher learning. c) University teaching experience or relevant working experience in a reputable Organization or Industry is an added advantage. d) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
Computer Studies	Technician, Computer Studies	1	a) First Class or Second Class Upper division Bachelor of Science in Computer Science, Information Technology or Computer Engineering from a recognized Institution of higher

	Salary Scale: PU7 Science		learning. b) Candidates holding a Professional IT Certification (e.g., Cisco Certified Network Associate [CCNA], Microsoft Certified Solutions Expert [MCSE]), CompTIA Linux+, or equivalent, and additional certifications in artificial intelligence or other state-of-the-art technologies, such as cloud computing, or relevant vocational IT certifications have a distinct advantage. c) Relevant working experience in an Institution of higher learning or relevant working experience in a reputable Organization or Industry is an added advantage. d) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
Faculty of Health Sciences, Mbale Campus, Mbale City.			
Anatomy	Senior Lecturer Salary Scale: PU5 Science (Replacement)	1	a) PhD or Master's degree in Anatomy from a recognized Institution of higher learning b) Bachelor of Medicine and Bachelor of Surgery or Bachelor of Dental Surgery or Bachelor of Science in Anatomy from a recognized Institution of higher learning. c) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. d) Four (4) Publications in Peer Reviewed Journals in the area of specialization, two (2) of which as the First/ Corresponding/ Senior author. e) Evidence of contribution to Community
	Lecturer Salary Scale: PU6.1 Science	1	a) Master of Science in Anatomy from a recognized Institution of higher learning b) Bachelor of Science in a Health related discipline from a recognized Institution of higher learning. c) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. d) Evidence of contribution to Community
Ophthalmology	Lecturer Salary Scale: PU6.1	1	a) Master of Medicine in Ophthalmology from a recognized Institution of higher learning. b) Bachelor of Medicine and Bachelor of Surgery from a recognized Institution of higher learning. c) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. d) Registered with Uganda Medical and Dental Practitioners Council/ East African Medical and Dental Practitioners Council e) Evidence of contribution to Community

			f) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Pharmacy	Lecturer Salary Scale: PU6.1	1	a) Master of Science in Pharmaceutical Chemistry or Chemistry or Biochemistry from a recognized Institution of higher learning b) Bachelor of Pharmacy or Doctor of Pharmacy from a recognized Institution of higher learning. c) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. d) Active member of the Pharmaceutical Society of Uganda and Registered with Pharmacy Board e) Evidence of contribution to Community f) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
	Assistant Lecturer Salary Scale: PU6.2	1	a) Master of Science in Pharmaceutical Sciences from a recognized Institution of higher learning b) Bachelor of Pharmacy or Bachelor of Science, Pharmaceutical Sciences from a recognized Institution of higher learning. c) University teaching experience or relevant working experience in a reputable Organization or Industry is an added advantage. d) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
	Senior Technician Salary Scale: PU6.2	1	a) Master of Science in Pharmacognosy or Pharmacology (Ethnopharmacology) from a recognized Institution of higher learning b) Bachelor of Pharmacy or Bachelor of Science in Ethnobotany from a recognized Institution of higher learning. c) University teaching experience or relevant working experience in a reputable Organization or Industry is an added advantage. d) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.

Public Health	Lecturer Salary Scale: PU6.1 (Replacement)	1	a) Evidence of full admission for a PhD in the area of specialization from a recognized Institution of higher learning. b) Master of Science in Public Health from a recognized Institution of higher learning c) First Class or Second Class Upper division Bachelor of Science in a health related field from a recognized Institution of higher Learning. d) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. e) Evidence of contribution to Community f) Possession of a PhD in the area of Specialization is an added advantage
Anesthesia	Associate Professor Salary Scale: PU4	1	a) PhD or Masters of Medicine degree in Anesthesiology from a recognized Institution of higher learning. b) Bachelor of Medicine and Bachelor of Surgery or Bachelor of Nursing Science from a recognized Institution of higher learning. c) Six (6) years of University teaching experience or relevant working experience in a reputable Organization or Industry. d) Ten (10) recognized publications in the area of specialization, four (4) of which as the First/ Corresponding/ Senior author. e) Supervision of three (3) Graduate students (Masters or PhD) f) Evidence of contribution to Community g) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Faculty of Agriculture and Animal Sciences, Arapai Campus, Soroti City			
Crop Sciences	Lecturer Salary Scale: M6.1	1	a) Evidence of full admission for a PhD in the area of specialization from a recognized Institution of higher learning. b) Master of Science degree in Agriculture (Soil Science) from a recognized Institution of higher learning. c) First Class or Second-class Upper division Bachelor of Science degree in Agriculture or Crop Production and Management from a recognized Institution of higher learning. d) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry.

			e) Evidence of contribution to Community f) Possession of a PhD in the area of Specialization is an added advantage g) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
	Technician, Molecular Biology Lab Salary Scale: PU7	1	a) First Class or Second Class Upper division Bachelor of Science degree in Molecular Biology, Biochemistry, Biotechnology, Laboratory Biotechnology, Genetics or Agriculture from a recognized Institution of higher learning. b) Relevant working experience in an Institution of higher learning or relevant working experience in a reputable Organization or Industry is an added advantage. c) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
	Technician, Soil Science Salary Scale: PU7	1	a) First Class or Second Class Upper division Bachelor of Science degree in Soil Science, Environmental Science, Agronomy, Geology or Agriculture from a recognized Institution of higher learning. b) Relevant working experience in an Institution of higher learning or relevant working experience in a reputable Organization or Industry is an added advantage. c) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
Faculty of Natural Resources & Environmental Sciences, Namasagali Campus, Namasagali Sub-county, Kamuli District			
Fisheries & Water Resources Management	Technician, Fisheries Salary Scale: PU7	1	a) First Class or Second Class Upper division Bachelor of Science in Fisheries and Water Resources Management from a recognized Institution of higher learning. b) National Diploma in Fisheries Management and Technologies from a recognized Institution of higher learning. c) Relevant working experience in a University or Research Institute Laboratory as: Cage Technician, Technician (Wet laboratory), Technician (Fish biology and ecology) is an added advantage. d) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
	Technician, Biochemistry	1	a) First Class or Second Class Upper division Bachelor of Science in Fisheries Science, Biochemistry, Chemistry, Water Resources Management or Environmental Science from a

	Salary Scale: PU7		recognized Institution of higher learning. b) Diploma in Laboratory Technology (Chemistry) from a recognized Institution of higher learning. c) Should have very good skills in water quality testing, microscopy, microbiology, field sampling and sample handling d) Relevant working experience in a University or Research Institute Laboratory is an added advantage. e) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
Maritime Institute, Namasagali Campus, Namasagali Sub-county, Kamuli District			
Marine Engineering	Lecturer Salary Scale: M6.1	1	a) Evidence of full admission for a PhD in the area of specialization from a recognized Institution of higher learning. b) Master of Science degree in Marine Engineering from a recognized Institution of higher learning. c) First Class or Second-class Upper division Bachelor of Science degree in Marine Engineering from a recognized Institution of higher learning. d) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. e) A valid STCW Certificate of Competency (preferably Class I, II or III Marine Engineer Officer) or equivalent maritime engineering certification is an added advantage. f) Registration with a recognized Professional Engineering body is desirable g) Evidence of contribution to Community h) Possession of a PhD in the area of Specialization is an added advantage i) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
	Assistant Lecturer Salary Scale: M6.2	1	a) Master of Science degree in Marine Engineering, Marine Systems Engineering, Naval Architecture, Ocean Engineering, Mechanical Engineering (Marine Option) or Marine Electrical Engineering from a recognized Institution of higher learning. b) First Class or Second-class Upper division Bachelor of Science degree in Marine Engineering, Mechanical Engineering or a closely related engineering discipline (Nautical Science/Maritime Transport) from a recognized Institution of higher learning.

			c) University teaching experience or relevant working experience in a reputable Organization or Industry is an added advantage. d) A valid STCW Certificate of Competency (CoC) as Marine Engineer Officer (Operational or Management Level) and additional certification in marine engineering simulation, marine electrical systems, automation, welding, hydraulics, or marine maintenance is an added advantage e) Registration with a recognized Professional Engineering body is desirable f) Age Limit: Should not have reached forty (40) years of age by deadline for submission of application.
Faculty of Management Sciences, Pallisa Campus, Pallisa Town Council, Pallisa District			
Economics & Management	Senior Lecturer Salary Scale: PU5	1	a) PhD in Business Administration with focus on Finance and Accounting from a recognized Institution of higher learning. b) Master of Business Administration (MBA) or a relevant Master of Science degree from a recognized Institution of higher learning. c) Honors Bachelor's Degree in Business Administration, Management, Commerce, or Business Studies from a recognized Institution of higher learning. d) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. e) Four (4) Publications in Peer Reviewed Journals in the area of specialization, two (2) of which as the First/ Corresponding/ Senior author. f) Evidence of contribution to Community g) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.

Tourism & Hospitality Management	Lecturer Salary Scale: PU6	1	a) Evidence of full admission for a PhD in Tourism and Hospitality Management from a recognized Institution of higher learning. b) Master's degree in Tourism and Hospitality Management from a recognized Institution of higher learning. c) First Class or Second Class Upper division Bachelor's degree in Tourism and Travel Management or Leisure and Hospitality Management or Catering and Hotel Management from a recognized Institution of higher learning. d) Three (3) years of University teaching experience or relevant working experience in a reputable Organization or Industry. e) Evidence of contribution to Community f) Possession of a PhD in Tourism and Hospitality Management is an added advantage g) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
B) ADMINISTRATIVE STAFF POSITIONS			
Vice Chancellor (Located at Busitema Main Campus in Busitema Sub-county, Busia District)	Senior Administrative Secretary Salary Scale: PU6.1	2	a) Master's Degree in any of the following areas: Social Sciences, Management, Public Administration or Business Administration from a recognized Institution of higher learning. b) Honor's Bachelor's Degree in any of the following areas: Public Administration, Business Administration, Secretarial Studies or Management from a recognized Institution of higher learning. c) A minimum of three (3) years relevant working experience in Administration from reputable Organization or Industry of equal standing. d) The applicant must be innovative, self-driven and ready to work for long hours e) Evidence of excellent track record with high level of integrity, interpersonal skills and excellent communication skills. f) Exhibit high competence in contemporary information and communication technology. g) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Directorate of Internal Audit (Located at Busitema Main Campus in	Senior Internal Auditor Salary Scales: PU6.1	1	a) Master's Degree in Auditing, Business Administration (Accounting & Finance) or Finance and Accounting from a recognized Institution of higher learning. b) Full professional qualifications in Auditing or Accounting such as CIA, ACCA, or CPA c) Membership of ICPAU. d) Honor's Bachelor's degree in Auditing, Accounting, Finance, Statistics, or other quantitative discipline from a recognized Institution of higher learning. e) A minimum of three years working experience in the Public Sector an Internal Auditor.

Busitema Sub-county, Busia District)			f) Evidence of computer literacy and possession of knowledge of Computer Assisted Audit Techniques (CAATS) will be an added advantage. g) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Dean of Students (Located at Busitema Main Campus in Busitema Sub-county, Busia District)	Counselor (Female) Salary Scales: PU6.2 Non-science	1	a) An Honor's Bachelor's Degree in Psychology, Counselling and Guidance, Counselling Psychology and Community Psychology from a recognized Institution of higher learning. b) Post graduate qualification in Psychology, Psychiatry, Counselling and Guidance, Counselling Psychology is an added advantage c) Relevant working experience of not less than three (3) years in student counseling, youth psychosocial support, or clinical/community counseling from a reputable Organization or Industry. d) Evidence of computer literacy and competence in Information and Communication Technology. e) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Finance (University Bursars Office) (Located at Busitema Main Campus in Busitema Sub-county, Busia District)	Accountant Salary Scales: PU6.2 Non-science	2	a) An Honor's Bachelor of Science degree in Finance and Accounting, Bachelor of Commerce (Accounting option) or Bachelor of Business Administration (Accounting option) from a recognized Institution of higher learning. b) Having completed at least level two of Professional qualifications such as CPA or ACCA. c) Possession of a Post Graduate qualification in Financial Management will be an added advantage. d) Relevant working experience of not less than three (3) years in financial management or accounting roles at the level of Assistant Accountant from a reputable Organization or Industry. e) Evidence of computer literacy and competence in Public Sector Accounting Computer Systems is an added advantage. f) Age Limit: Should not have reached forty (45) years of age by deadline for submission of application.

Health Services (Located at Busitema Main Campus in Busitema Sub-county, Busia District)	Medical Officer Salary Scales: PU6.2	1	a) Bachelor of Medicine and Bachelor of Surgery from a recognized Institution of higher learning. b) Three (3) years of relevant working experience in a Medical Facility or a reputable Organization or Industry. c) Registered with Uganda Medical and Dental Practitioners Council/ East African Medical and Dental Practitioners Council with an active practicing license. d) Evidence of computer literacy and competence in Information and Communication Technology. e) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Directorate of Planning (Located at Busitema Main Campus in Busitema Sub-county, Busia District)	Senior Monitoring & Evaluation Officer (Senior Planner) Salary Scales: PU6.1	1	a) Master's Degree in Planning, Quantitative Economics, Economics, Monitoring and Evaluation or Statistics from a recognized Institution of higher learning. b) Possession of Post Graduate qualifications in Project Planning and Management, Monitoring and evaluation or Strategic Investment is an added advantage. c) Honor's Bachelor's degree in Quantitative Economics, Economics, Monitoring and Evaluation or Statistics from a recognized Institution of higher learning. d) Minimum of three (3) years relevant professional experience in policy analysis, monitoring and evaluation, statistics, budgeting or public sector development at the level a Planner in a reputable Organization or Industry. e) Evidence of computer literacy and competence in Public Sector Planning and Budgeting Computer Systems is an added advantage. f) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.

	Statistician Salary Scales: PU6.2	1	a) Honor's Bachelor's degree in Statistics, Economics and Statistics, Quantitative Economics, Economics and Business Statistics from a recognized Institution of higher learning. b) Possession of Post Graduate qualifications in areas of Statistics, Data science, Artificial Intelligence, Data Analytics, Project Planning and Management or Statistical Computing is an added advantage c) Relevant working experience of not less than three (3) years in policy analysis, monitoring and evaluation, statistics, budgeting or public sector development a reputable Organization or Industry. d) Evidence of computer literacy and competence in Public Sector Planning and Budgeting Computer Systems is an added advantage. e) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Central Registry (Located at Busitema Main Campus in Busitema Sub-county, Busia District)	Assistant Records Officer Salary Scales: PU7 (Replacement)	1	a) Honor's Bachelor's Degree in Records and Information Management or Records and Library Science from a recognized Institution of higher learning. b) Relevant working experience from a recognized Organization or Industry is an added advantage. c) Evidence of competence in Microsoft Office programmes and Information and Communication Technology. d) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Academic Registrar	Principal Assistant Academic Registrar Salary Scale: PU5 (Replacement)	1	a) Master's Degree in any of the following areas: Education, Public Administration or Management from a recognized Institution of higher learning. b) Honor's Bachelor's Degree in the following areas: Education, Public Administration or Management from a recognized Institution of higher learning. c) Five (5) years working experience in academic affairs, three (3) of which should be at the level of Senior Assistant Academic Registrar or its equivalent in a reputable Institution or Organization of equal standing. d) The applicant must be innovative, self-driven and ready to work for long hours e) Evidence of excellent track record with high level of integrity, interpersonal skills and excellent communication skills. f) Knowledge of higher education governance and policy frameworks, g) Exhibit high competence in contemporary information and communication technology. h) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of

			application.
C) SUPPORT STAFF POSITIONS			
University Secretary (Estates) (Located at Busitema Main Campus in Busitema Sub-county, Busia District)	Tractor Operator/ Driver	1	a) Ordinary Level Certificate b) Valid Driving License with Class G (Tractor) c) Working experience of not less than three (3) years operating agricultural tractors and implements in a reputable Organization or Industry. d) Demonstrate ability to operate Tractors with various implements [Ploughs, Harrows, Planters, Trailers, and slashers]. e) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application
	Driver (Bus)	1	a) Ordinary Level Certificate b) Valid Driving License with the following Classes: D1, D, and DE c) Working experience of not less than three (3) years in a reputable Organization or Industry. d) Having a Bus Drivers Budge is an added advantage. e) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
	Driver (Light Vehicles)	3	a) Ordinary Level Certificate b) Valid Driving License with minimum of Class B c) Working experience of not less than three (3) years in a reputable Organization or Industry. d) Certificate in Defensive Driving is an added advantage e) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
Health Services	Senior Assistant Technician (Radiographer) Salary Scales: PU10	1	a) Diploma in Radiology from a recognized Institution of higher learning. b) Minimum of three (3) years relevant working experience in a Medical Facility or a reputable Organization or Industry. c) Registered with Allied Health Professional Council with an active practicing license. d) Evidence of computer literacy and competence in Information and Communication Technology.

			e) Age Limit: Should not have reached fifty (50) years of age by deadline for submission of application.
FHS/ FSE/ VC/ UB	Office Attendant Salary Scale: PU15	4	a) Ordinary Level Certificate and must have passed 6 subjects including English and Mathematics. b) Working experience in a reputable Organization or Industry is an added advantage. c) Age Limit: Should not have reached thirty five (35) years of age by deadline for submission of application.
